**VEGETARIAN CUISINE**

In the 12th Century, the Buddhist and Taoist religions flourished, advocating a life of Peace and Harmony that included abstinence from meat. Elaborate vegetarian feasts became common in all Buddhist temples and homes. With typical Oriental inventiveness, Chinese chefs rose to the challenge of creating variety in taste, texture, and appearance using vegetables alone.

Double Ocean is pleased to offer a vegetarian menu in addition to our Mandarin and Szechuan Specialties. Our chef, true to his Buddhist forebears, has created mock duck and chicken and many more, available for banquets—all fashioned to resemble the forbidden meat dishes. Vegetable makes you healthy and your life longer!

We invite you to try them all.
